

## Plant Light Responses 25-26 August 2011

University of Neuchâtel

Faculté des sciences, UniMail, building F, Auditoire Louis-Guillaume

### Programme

#### Thursday, August 25, 2011

- 08:15 – 08:55 Registration and posters hanging
- 08:55 – 09:00 Welcome (Fankhauser/Ulm)
- 09:00 – 09:50 Keara Franklin, U.K.  
*Role of the phytochrome photoreceptors in the competition of plants for light. General introduction.*
- 10:00 – 10:50 Keara Franklin, U.K.  
*Research seminar*
- 10:50 – 11:20 Coffee break
- 11:20 – 12:10 John Christie, U.K.  
*Blue light photoreceptors, what have we learned about phototropism since Charles Darwin. General introduction.*
- 12:10 – 13:30 Lunch (restaurant Le Romarin, Maladière 62, tel 032 717 49 69)
- 13:30 – 14:30 Poster session
- 14:30 – 15:20 John Christie, U.K.  
*Research seminar*
- 15:20 – 15:50 Coffee break
- 15:50 – 16:40 Gareth Jenkins, U.K.  
*UV-B responses in plants, how do plants know when to apply sunscreen? General introduction.*
- 16:50 – 17:40 Gareth Jenkins, U.K.  
*Research seminar*

## Plant Light Responses 25-26 August 2011

University of Neuchâtel

Faculté des sciences, UniMail, building F, Auditoire Louis-Guillaume

### Programme

#### Friday, August 26, 2011

- 09:00 – 09:50 Ute Hoecker, Germany  
*The dark side of photomorphogenesis, function and regulation of negative regulators of plant light responses. General introduction.*
- 10:00 – 10:50 Ute Hoecker, Germany  
*Research seminar*
- 10:50 – 11:20 Coffee break
- 11:20 – 12:10 Carlos Ballaré, Argentina  
*Light regulation of plant immune responses. General introduction.*
- 12:10 – 13:30 Lunch (restaurant Le Romarin, Maladière 62, tel 032 717 49 69)
- 13:30 – 14:20 Carlos Ballaré, Argentina  
*Research seminar*
- 14:20 – 15:10 Roberto Bassi, Italy  
*High light stress responses in plants. General introduction.*
- 15:10 – 15:40 Coffee break
- 15:40 – 16:30 Roberto Bassi, Italy  
*Research seminar*
- 16:30 – 17:00 Conclusions - Distribution of attestation
