Institut de biologie

Interuniversity Doctoral Program in Organismal Biology

Seminars in ecology, evolution, and behaviour

Request form for ECTS validation

Name:	. Surname:
Director of thesis:	

- 1) Register by sending an e-mail to Dr Christian Parisod (christian.parisod@unine.ch)
- 2) Attend at least 9 (out of 14) talks. Ask the organizer to sign the below list. You are expected to participate actively during the discussion after the talks.
- 3) To document your participation, choose three talks where you alternatively:
 - ask a question and summarize the answer given by the speaker.
 - summarize the main points in the talk.

Provide no more than one A4 page per seminar.

Date of seminar	Attendance yes / no	Signature of organizer (if attended)	Selected talk yes / no
