

The University of Neuchâtel, Switzerland, invites applications for a position of

## Full professor or tenure-track assistant professor in data science (100%)

**Job description:** The successful candidate will teach various courses at the Bachelor and Master's levels (Full professor: 7 hours/week all year long, PATT: 4 hours/week all year long) in the Master of Science in computer science (BeNeFri) as well as other curricula. The candidate is expected to establish an internationally recognized research program in computer science and data science. He/she will supervise master's and doctoral theses and participate in the administrative tasks of the institute and the Faculty. Courses are taught in English (MSc) and French (BSc), requiring a commitment to obtain sufficient fluency in French within one year.

**Requirements:** Applicants must hold a doctorate in computer science, an internationally recognized research record and have strong teaching skills. They must have an internationally visible research profile in at least one of the following subfields:

- Databases and information systems
- Data mining and natural language processing

**Starting date:** August 1<sup>st</sup>, 2023 or upon agreement.

**Deadline for applications:** October 1<sup>st</sup>, 2022.

Applications should be uploaded at [www.unine.ch/candis](http://www.unine.ch/candis) (ref. FS-Data) in the form of a single PDF file, including a letter of motivation, a CV documenting full teaching and research experience, a list of publications, copies of diplomas and a list of experts able to assess the candidate's competence (with at least three names). The candidate is also invited to present a statement (3 pages max.) of teaching and research interests, his/her scientific approach to the domain, and projects that he/she intends to undertake at Neuchâtel.

Further information can be obtained by contacting the Head of the Hiring Committee Prof. Pascal Felber ([pascal.felber@unine.ch](mailto:pascal.felber@unine.ch)), as well as by visiting the Faculty website at [www.unine.ch/sciences](http://www.unine.ch/sciences).

*The University of Neuchâtel is committed to provide non-discriminatory working conditions.*
